

# VAA Chapter 16 Fly Market

## Instructions

Attached you will find the paperwork necessary for placing items in the VAA Chapter 16 Fly-Market to be held **Saturday, June 26, 2010** at Gardner Municipal Airport (K34). These include the Consignment Agreement, Item Tags and a Master List.

The Consignment Agreement outlines the terms of listing your items in the Fly-Market. Please provide the requested information, then sign at the bottom and return to me prior to the event.

An Item Tag is to be filled out and attached to each item. You should include the item number (see master list instructions below), a short description of the item, and your asking price.

The Master List of your items allows us to know which items are yours, ensuring your money gets back to you, less any fees due. Be sure the same terminology is used to describe the item on your Master List and Item Tag. Use the following method to number your items on the Master List and Item Tags.

1. Your item numbers should start with your first initial, followed by your last name, and the number (start your items with number 1).  
For example, my items will be kpratt 1, kpratt 2, etc.

Complete filling out the Master List with a short description of the item, the asking price listed on the Item Tag, and the minimum price you will accept if you are negotiable on price.

Enrollment (the signed agreement and master list) must be received prior to the event. You may fax them to me at 913-541-1004, email it to me at [kpratt@vaal6.com](mailto:kpratt@vaal6.com), or mail it to me at 8000 Summit Street, Lenexa, KS 66215.
